

EXTENSION ACTIVITIES

TCSC has been instrumental in creating an awareness about important social issues with an aim to foster holistic development. As a part of the curriculum TCSC involves students in shouldering various responsibilities towards their family, society and the nation. Thus the scope of extension activities at TCSC includes NSS, NCC, DLLE, Cultural Committee and Departments.

For eg. 1. Community Service Program in association with Sparkling Wings & Touching Lives Foundation to teach and coach the under privileged children in the neighbourhood

2. Promoting Government initiatives - Swachata Pakhwada, a mission to build clean India, TCSC undertakes various activities through Swach Bharat Abhiyaan. Fit India Week Celebrations - A community outreach program to teach Yoga at a nearby school.

3. Anti-Corruption Drive, e-wastage collection, Beach Cleaning, gender sensitisation and tree plantation are some few activities undertaken by various departments.

These activities which are undertaken across the year have been nurturing a sense of commitment to environment and society. The students are involved in regular planning and execution of the activities and making them about ground realities of their surroundings.

The outcome of this sensitisation has led to some sustainable partnerships eg. Collection of 195.30 kgs of e-waste which was recycled post the e-waste collection drive.

The College is a proud recipient of the prestigious award; 'The President Award' for its exemplary contribution in National social Service at the Rashtrapati Bhavan at the hands of the President of the country, Mrs.Droupadi Mumru.
