

Significant contributions made by IQAC during Academic Year 2023-24.

1. Industry Linkage & Industry based Programmes – The College has collaborated with UniKaushal Ltd to offer skill-based certificate courses for Undergraduate students. These certificate courses are industry employable and focus on modern skill development. The College has also collaborated with Future Varsity to initiate new programs like Bachelors in Artificial Intelligence and Machine learning, Bachelors in Sports Management, Bachelors in Interior Designing & Bachelors in Professional Accounting & Finance Management. This will contribute to the skill development of the students and make them more employable.
2. Strengthening the Assessment and Accreditation of Higher Education Institutions (HEIs) – While understanding the need for preparing the Institution for upcoming cycle of Assessment and Accreditation (A & A), a guidance session was organized on 'Preparation for the 4th Cycle of Accreditation by NAAC'
3. Interdisciplinary Workshop on Research Methodology in Digital Humanities – A 4 Day interdisciplinary research workshop by the Shastri Faculty Collaboration and Internationalization Project Grants 2023-24 with an aim to create, strengthen and diversify ways for long-term collaborations and internationalization dimensions in Canadian and Indian Universities. 95 students participated in this research initiative.
4. MOU's and Collaborations -TCSC and Council of Scientific & Industrial Research, National Institute of Oceanography (CSIR-NIO), Goa to promote common areas for developing cutting edge research, while developing a collaboration in the areas of education, training and research in biology, chemistry physics, IT and data analysis. TCSC collaborated with Maharashtra State Skills University (MSSU)& Maharashtra State Innovation Society (MSINS) to create a network of pre-incubation centres to foster innovation and entrepreneurship and establish a support system for aspiring entrepreneurs in the college.

5. Harmonizing academic & administrative procedures & protocols in lieu with ISO 21001-2018. This ensures regular review of Academic & Administrative Audit and all other processes of college. External Peer Review Academic and Administrative Audit and IQAC External Peer Review was conducted in coordination with IQAC.
6. NEP Planning & Implementation – TCSC implemented National Education Policy 2020. Various Committees are formed to assist the structuring of NEP subjects for students overall development. A session about integrating traditional Indian Knowledge System in our modern curriculum was organized to align with NEP 2020. IQAC define final framework post BOS meetings and various strategies adopted in NEP 2020 implementation for Academic Year 2024-25, Second Year of NEP 1st Batch.
7. Infrastructure and resource development: Beautification of floors, Replacement of old tube lights with low power LED lights, Installation of Air-conditions in phase manner in each class rooms, Networking infrastructure improvement was done and installation of new Wi-Fi points have been completed in campus and library. Initiative on better e-Waste Management, Vermi-Compost and Rain Water Harvesting has been done Air-conditioning for All Staff Room was done.

Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:

Plan of Action	Achievements/Outcomes
NEP Planning & Implementation	TCSC implemented National Education Policy 2020. Various Committees are formed to assist the structuring of NEP subjects for student's overall development. A session about integrating traditional Indian Knowledge System in our modern curriculum was organized to align with NEP 2020. IQAC define final framework post BOS meetings and various strategies adopted in NEP 2020 implementation for Academic Year 2023-24.
Initiate New Programs for students' academic professional progression	The College has collaborated with UniKaushal Ltd to offer skill-based certificate courses for Undergraduate students. These certificate courses are industry employable and focus on modern skill development. The College has also collaborated with Future Varsity to initiate new programs like Bachelors in Artificial Intelligence and Machine learning, Bachelors in Sports Management, Bachelors in Interior Designing & Bachelors in Professional Accounting & Finance Management. This will contribute to the skill development of the students and make them more employable.
